

GE LED GU10 Lamps

GE's new 1 Watt Light Emitting Diode (LED) GU10 lamp is ideal for decorative lighting.

Environmentally conscious

Energy efficient, lead free glass, and long life means fewer lamp replacements vs. standard incandescent and halogen light sources

Low cost operation

At only 1 Watt of energy used, this LED would cost less than 45 cents per year to operate

*Assuming 4500 burn hours annually at \$0.10 per kWh

Long life

12,000 hours rated life (L70)

Cool color

5500 K

GE Quality and Reliability

Durable solid state design (no filament)

GE – bringing LED technology and efficiency to standard lamps formats

Performance Data

Product Code	Nominal Description	Watts	Rated Initial Lumens	Rated Life* (hours)	CRI	Color Temp.	MOL	Diameter
73153	LED1GU10/NFL/CD	1	35	12,000	70	5500 K	2.13"	2.0"

For additional product and application information, please consult GE's Website: www.gelighting.com

* No industry standard – GE life rating based on 70% lumen maintenance
